Either day works for Roux. Let's plan for Friday afternoon so that Gunnar can join. Maybe 3pm EST, 1pm MT.

I will send out a conference call # tomorrow unless anyone objects.

I will be out of state on another assignment Wednesday May 31 – Friday June 2. June 1 is out for me, although I could call in on June 2. If June 1 is the only date that works for the group, I could get Erin Formanek and Sean Coan call in, in my absence.

Subject: Response to USEPA/MDEQ Comments Regarding CFAC Phase I DSR and SLERA

Good afternoon Mike,

Roux Associates, on behalf of CFAC, is providing the attached responses to the comments provided by USEPA and MDEQ on the Phase I Site Characterization Data Summary Report and the Screening Level Ecological Risk Assessment.

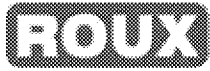

During our project meeting held at CFAC in April, we discussed having a conference call with the team after submittal of these responses. Roux is proposing to have that call on Thursday, June 1st. Please let us know if that works for USEPA and MDEQ.
